Title: **BSR 3.2 -- Accountability of the Superintendent**
Code: 3.2
Section: 3. BSRs -- Board-Superintendent Relationship

The Superintendent is the Board of Education's official link to the operational organization. All authority over staff members shall rest with the Superintendent and the Board recognizes that all staff members shall be accountable to the Superintendent.

Accordingly,

1. The Board of Education will view Superintendent performance as being identical to organizational performance. Organizational accomplishment of Ends and operation within the boundaries of Executive Limitations will be viewed as successful Superintendent performance.
2. The Board of Education will not give directions to persons who report directly or indirectly to the Superintendent.
3. Unless specifically requested by the Superintendent, the Board of Education will not formally or informally evaluate any staff member other than the Superintendent. This provision shall not be construed as preventing the Board from sharing information or opinion with the Superintendent.
