Title: **Child Nutrition**
Code: EF
Section: Section E: Support Services

The District shall operate a school lunch program in its schools, which shall be under the overall supervision of the District Contracting Officer.

The District Contracting Officer and the school principals shall cooperate in matters essential to the proper functioning of the food service program. The responsibility for control of students using the school cafeteria shall rest with the building principal.

The Board of Education shall approve the prices set for reimbursable meals and milk as defined in the National School Lunch and Breakfast Program and/or the Heathy School Meals for All Program.

If the Board of Education elects to participate in the National School Lunch and Breakfast Program, and/or the Healthy School Meals for All Program, the Board agrees to the regulations as specified and the food service program shall meet all state and federal requirements relating to meal and menu records, fiscal controls and accountability, free and reduced-price meals, civil rights compliance, sanitation, and safety.

Students shall be permitted to bring their lunches to school.
