Title	Staff Responsible Use of Digital Resources
Code	GBEE
Status	Active
Adopted	January 1, 2014
Last Revised	July 1, 2021
Last Reviewed	July 1, 2022

Digital resources include but are not limited to Academy District 20 computers, cell phones, tablets, computer systems, video streaming devices, Software as a Service (SaaS), wireless/wired networks, and software resources that are owned and/or managed by the District and are intended for educational purposes and/or District business.

Digital resources are fluid environments in which users may access materials and information from many sources. Staff members shall take responsibility for the use of digital resources.
