Guiding Scenarios (High School)

I live **within** D20 Boundaries...

Definitions:

- Prior rostering is defined as having participated in a tryout, practice, or contest at a high school in a previous season. If a student has previously participated at a high school, that student may continue to participate at that school as long as they meet the parameters of [C.R.S. § 22- 32- 116.5(b)].
- Alternative placement refers to a student requesting to be placed at school that is different from their previous placement. A student may request an alternative placement at the conclusion of the current school year, must meet the parameters of [C.R.S. § 22- 32-116.5(b)] to be eligible for placement at school involved, and would then be subject to CHSAA transfer implications.
- TCA Lottery refers to the lottery system that The Classical Academy College Pathways students use to attempt to be drawn for placement at The Classical Academy Junior High School or The Classical Academy High School. The TCA Lottery is only available to those students that attend The Classical Academy College Pathways.

- I. My student attends **AAHS, DCC, LHS, PCHS, RHS, TCA or VHS**. *My student participates in sports and activities at their school of attendance.* However, the school doesn't offer a CHSAA-sanctioned program that my student is interested in.

- ☐ **If the program has a classroom component**, the student and/or parent must reach out to the principal at the desired school of placement to determine what is required during the academic day to participate in the desired program, whether the student can coordinate their schedule to accommodate the requirement(s), and to determine if there is room in the class and program. A student must obtain written permission from the building principal to participate prior to being formally placed. If permission is granted, the student or parent must email proof of permission to jeri.leslie@asd20.org.
- ☐ Once permission is obtained from building Principal, complete the *in-district* Request for Participation (RFP) form through your parent portal in Infinite Campus ("More" -- "Online Registration" -- "Start" on "Athletics/Activities Placement Request Form.") Direct questions to (719) 234-1214.
- ☐ After you receive your placement letter, you must register for sport or activity (and pay any associated fees) as directed on the website of the placement school. Please direct questions to the placement school's athletic or activities director/secretary.

II. My student attends **Aspen Valley or Home School Academy**. However, the school doesn't offer the CHSAA-sanctioned program that my student is interested in.

- ☐ **If the program has a classroom component**, the student and/or parent must reach out to the principal at the desired school of placement to determine what is required during the academic day to participate in the desired program, whether the student can coordinate their schedule to accommodate the requirement(s), and to determine if there is room in the class and program. A student must obtain written permission from the building principal to participate prior to being formally placed. If permission is granted, the student or parent must email proof of permission to jeri.leslie@asd20.org.
- ☐ Complete the *in-district* Request for Participation (RFP) form through your parent portal in Infinite Campus ("More" -- "Online Registration" -- "Start" on "Athletics/Activities Placement Request Form.") Direct questions to (719) 234-1214.
- ☐ After you receive your placement letter, you must register for the sport or activity (and pay any associated fees) as directed on the website of the placement school. Please direct questions to the placement school's athletic or activities director/secretary.

III. My student attends **The Classical Academy College Pathways** and wants to participate in a program at a D20 high school (not TCA).

- ☐ **If the program has a classroom component**, the student and/or parent must reach out to the principal at the desired school of placement to determine what is required during the academic day to participate in the desired program, whether the student can coordinate their schedule to accommodate the requirement(s), and to determine if there is room in the class and program. A student must obtain written permission from the building principal to participate prior to being formally placed. If permission is granted, the student or parent must email proof of permission to jeri.leslie@asd20.org.
