As the governing body of the school district, the Board of Education is legally responsible for the selection of library resources. The Board delegates to the District's professional personnel the authority for the selection of library resources in accordance with this policy.

Resources for school libraries shall be selected by the appropriate professional personnel in consultation with the administration, teachers, and secondary students when appropriate. Final decision on purchase shall rest with the superintendent or designee, subject to approval by the Board. All library resources shall be aligned with Colorado academic standards or in field (CTE) standards and support the District's educational objectives.

Library resources shall be available for inspection by students' parents/guardians.
