

Title: **Immunization of Students**

Code: JLCB

Section: Section J: Students

The District annually provides parents/guardians of each student enrolled in the District a copy of the standardized immunization document developed by the Colorado Department of Public Health and Environment (CDPHE). The standardized immunization document includes a list of required and recommended immunizations and the age at which each immunization should be given.

No student is permitted to attend or continue to attend any school in this District without meeting the legal requirements of immunization against disease unless the student has a valid exemption for health, religious, personal or other reasons as provided by law.

Students who do not submit an up-to-date certificate of immunization or a written authorization signed by one parent/guardian requesting local health officials to administer the immunizations or a valid Certificate of nonmedical exemption will be suspended and/or expelled from school according to this policy's accompanying regulation.

There are two ways to submit a nonmedical exemption:

- Submit the Certificate of Nonmedical Exemption with a signature from an immunizing provider who is a medical doctor, doctor of osteopathic medicine, advanced practice nurse or delegated physician's assistant OR
- Print and submit the Certificate of Nonmedical Exemption received upon the completion of CDPHE's Online Immunization Education Module.

Parents of students in preschool or childcare must submit nonmedical exemptions at 2, 4, 6, 12 and 18 months of age. These exemptions expire when the next vaccines are due or when the child enrolls in kindergarten.

Parents of students in grades K-12 claiming a nonmedical exemption must submit one annually.

Nonmedical exemptions expire June 30th each year. If you submit a Certificate of Nonmedical Exemption on or before June 30th, it will not be valid for the upcoming school year unless you submit the exemption during early registration.

All information distributed to parents/guardians by the District will inform them of their rights to seek an exemption from immunization requirements.
